

2008 Biennial Assessment of the Disability Services System in Virginia

Featuring:

- A comprehensive assessment of Virginia's service system for people with developmental and other disabilities,
- A description of available services, eligibility criteria, access and delivery, costs payment, and monitoring,
- Identification of critical issues facing Virginia's disability services system,
- Board recommendations addressing those concerns, and
- Reference listings for additional information.

The *Biennial Assessment* is available in print, CD-ROM, audio, and other accessible formats as well as on the Virginia Board's website at www.vaboard.org/biennial.htm.

For more information or to obtain a copy, please contact the Board at:
