

**Testimonials from friends  
and clients of TecACCESS,  
recipient of the 2006 VBPD  
OUTSTANDING ACHIEVEMENT AWARD:**

"...Debra Ruh set out to create a company that could provide valuable consulting services to corporations on web accessibility for people with disabilities. Ms. Ruh's goal was to allow those with disabilities to help corporations make their web presences more user friendly for the disabled community...And with over 30 associates with disabilities ranging from cognitive disabilities to physical disabilities, Ms. Ruh has built a viable company that also provides a valuable corporate service. This is truly a remarkable accomplishment."

The Honorable John Warner  
United States Senator, State of Virginia

"...This is more than just a mere letter of commendation, but rather an endorsement of a truly extraordinary company and its president...Our program is considered the best in the Federal Government and probably the best in the United States. The program has been nominated for numerous awards and has been the subject of many different medias. These comments are not internal praises, but rather an attempt to put into perspective the type and success of the work TecAccess performs...The accomplishments of this office are a direct reflection of Debra Ruh's talents, dedication and professionalism...If you want to succeed, you need Debra Ruh and her talented company."

Fred DiFiore  
Senior Program Manager and EIT Coordinator  
U.S. Patent and Trademark Office

"We want to...express our gratitude to [TecAccess] for the contribution you make in preparing individuals with disabilities for employment. The ultimate success of so many of our students in the workforce, following training, is proof of the contribution you make each time you work with our students..."

Jim DuBose, Diane Hinch,  
Mike Robison, and Lisa Zahralddin  
Instructional Managers, External Training Option  
Woodrow Wilson Rehabilitation Center

"Mrs. Ruh has a vision for employment of persons with disabilities and is committed to making it become a reality. Debra Ruh is passionate about her work and people. She is a talented volunteer who gives her all to whatever project she takes on."

Lucy Cantrell  
Hanover County Virginia ARC

"We applaud [TecAccess'] efforts to hire mainly persons with disabilities...Circuit City was very pleased to hire TecAccess to help make our website...more accessible especially to persons with severe disabilities. At Circuit City we believe that it is not only our responsibility as a corporate leader to make sure that our website is accessible, but that it makes good business sense to capture a valuable market segment. TecAccess provides us with a thorough diagnostic of our web site's accessibility and many detailed recommendations for changes to improve accessibility...Our experience...suggests that TecAccess has many of the qualities and capabilities to successfully grow and succeed."
